

LIVE HEALTHY AND SMOKE FREE IN FRONT OF OUR BUSINESSES

www.GetHealthyClarkCounty.org
www.VivaSaludable.org

Join the Southern Nevada Health District

in an effort to reduce the dangers of secondhand smoke exposure. This voluntary program will encourage business owners to provide a smoke free environment within 30 feet from entrances and exits of your business.

Participate & Receive FREE!

- Your business will be listed as a leader in protecting the health of your customers and employees on the Southern Nevada Health District's www.gethealthyclarkcounty.org (English language) and www.vivasaludable.org (Spanish language) websites.
- You will receive signs that you can place in front of the entrances and exits of your business indicating no smoking from that point within a distance of 30 feet away.
- Information and resources on how to quit smoking.

To participate, please send an e-mail to muniz@snhdmail.org with your business name and address and how many signs you need and we will send it by mail at no cost or call 759-1262.

Protect yourself!

There is no-risk-free level of exposure to secondhand smoke; even brief exposure can be harmful to one's health. **Children, pregnant women, elderly population, individuals with respiratory and cardiovascular problem are most at risk. Some of the effects of exposure can be temporary but they can also be permanent.**
